BACKGROUND: **Mr. Eric Davis**, who is leaving his post as Principal of Maryvale Elementary School, has demonstrated continued support to City of Rockville youth and the Division of Youth and Family Services, including the Linkages to Learning Program. During his tenure at Maryvale he promoted a strong sense of community as evidenced by the variety of programs and services that support academic and social achievement for his students and families. The Mayor and Council along with City of Rockville Staff share a great sense of loss as Mr. Davis takes his many talents to Montgomery Village Middle School as its new principal.

Mr. James Fernandez has been the principal of Julius West Middle School for many years. He and his staff have been true partners with the City of Rockville through their support of the Reaching Individual Self Empowerment (RISE) Program and other youth-related groups. Mr. Fernandez has personally supported programs that address the cultural and behavioral barriers to academic achievement. Rockville's Mayor and Council join with City Staff and all those individuals who have benefited from his vision, in congratulating Mr. Fernandez on his promotion to Principal of Einstein High School.
